

Erie County Fire Safety Division – “Training2000” Program Overview

The *Training2000* outreach program was created by the NYS Office of Fire Prevention and Control (OFPC) and is delivered and administered by the Erie County Division of Fire Safety. The program is divided into three distinct, yet interlocking parts. Each course includes classroom instruction combined with hands-on skills learning and assessment.

Training2000 replaces and encompasses several of the traditionally provided State courses in order to provide a clear and comprehensive training path for today's fire fighters. Completion of the three-segment *Training2000* program in conjunction with supplemental New York State (NYS) provided programs prepares the students for OSHA, NFPA and NYS certification testing.

The following outlines the details for each course portion of the *Training2000* program. Please do not hesitate to contact the Fire Safety Office at **716/681-7111** for any additional information.

COURSE#/TITLE: 91-Basic Firefighter	
HOURS/UNITS:	(42) hours total/(14) 3-hour units
REPLACES:	02-Firefighting Essentials, Part of 03-Fire Behavior & Arson Awareness, 28-Firefighter Safety & Survival
PRE-REQUISITE:	None
SUBJECTS:	Fire Department Operations, Fire Department Organization, Safety, Fire Behavior, Fire Extinguishers, Personal Protective Equipment (PPE), Self Contained Breathing Apparatus (SCBA), Forcible Entry Tools, Ladders, Ventilation Theory, Hose Practices, Fire Streams, Fire Control, Salvage and Overhaul, Search and Rescue
CERTIFICATION LEVEL:	Basic Firefighter plus 31-HazMat Operations prepares students for OSHA Level Firefighter certification testing
COURSE#/TITLE: 92-Intermediate Firefighter	
HOURS/UNITS:	(36) hours total/(12) 3-hour units
REPLACES:	Part of 03-Fire Behavior & Arson Awareness, 10-Initial Fire Attack
PRE-REQUISITE:	91-Basic Firefighter –OR– 02-Firefighting Essentials plus 03-Fire Behavior & Arson Awareness
SUBJECTS:	Fire Extinguishers, Self Contained Breathing Apparatus (SCBA), Ropes and Knots, Rescue Applications, Forcible Entry Techniques, Ladder Rescue, Ventilation Practices, Prevention and Public Education, Scene Lighting, Water Supply, Foam Operations, Extinguish Small Fires/Vehicle Fires, Extinguish Structure Fires, Sprinklers/Detection Systems, Salvage and Overhaul, Fire Cause Determination, Physical Fitness, Incident Command System (ICS) and Fire Department Communications
CERTIFICATION LEVEL:	Intermediate Firefighter plus EMS training requirements of NFPA-1001 prepares students for NFPA Firefighter Level I certification testing
COURSE#/TITLE: 93-Advanced Firefighter	
HOURS/UNITS:	(24) hours total/(8) 3-hour units
REPLACES:	Part of 03-Fire Behavior & Arson Awareness, 22-Fire Attack II
PRE-REQUISITE:	91-Basic Firefighter –AND– 92-Intermediate Firefighter; –OR– Nationally Certified Firefighter I; –OR– 02-Firefighting Essentials plus 03-Fire Behavior & Arson Awareness and 10-Initial Fire Attack
SUBJECTS:	Special Rescue Applications, Fire Flow, Strategy & Tactics, Structure Fires, Foam, Tank Farms, Electric Substations, LP Gas/Natural Gas Facilities, Silo Fires, Testing/Inspecting Ladders, Cleaning/Testing Hose, Sprinklers, Building Construction, Fire Cause
CERTIFICATION LEVEL:	Advanced Firefighter plus 15-Accident Victim Extrication prepares students for NFPA Firefighter Level II certification testing
